Motion passed

Holly Stewart was introduced as the President of the Georgia Movers Association. She gave background about herself and listed several goals she has for the Association this year.

- Meet hourly on a regular basis
- Meet in person biannually
- Have more in person social events
- Communicate better with the membership

Old Business: None discussed

New Business:

Create committees and committee chairs

- Tariff Committee
- New Entrance / DPS Committee
- Information Committee – Panel of the Pros
- Membership Committee

We would like to get a list of licensed movers listed on our Association website.

Lee Lemke offered to have a Day at the Capital where he shows members around the Capital and explains the process of how our State Government works. This would be limited to the first 20 people who sign up. The cost for this event is \$50 each and would include lunch. The planned date for this is July 14th.

Holly Stewart talked about how to communicate better with members and gave ideas for social events. For communication we talked about creating a private Facebook group for members. For social events we talked about meeting for dinner or drinks somewhere. We also talked about having a skeet shooting event or something like.

We discussed the Fall Annual Conference which will be held Wednesday November 1st. We did not discuss the location.

Meeting adjourned at 10:30am

Respectfully submitted,

Jim McKinney
Secretary
